Title : Deputation of CISF on Mullaperiyar Dam in Kerala.

SHRI P.C. THOMAS : Sir, law and order is perfectly a State matter. The Kerala Government is able to guard its territory and keep the law and order in a very befitting manner. However, the Government of Tamil Nadu as well as the MPs from Tamil Nadu have requested the Prime Minister to deploy CISF, Central Industrial Security Force, to guard the area where Mullaperiyar Dam is situated. This dam is well within the territory of Kerala. The only thing is that we are giving water to Tamil Nadu on account of an agreement and there is no dispute as to giving of water. We are ready to give water and there is nothing against that, but the people of Kerala are apprehensive of the poor condition of the dam, which is more than 100 years old. Therefore, we have raised an issue as to the maintaining of the dam and also reconstruction of the dam. However, now there is no reason to deploy any police from any other State or even from the Centre, when the Kerala Government is able enough to guard it,and Kerala Government will do it.

I earnestly request the Prime Minister not to deploy any police or CISF to that area for this purpose. ...(*Interruptions*)

SHRI P. MOHAN : Tamil Nadu has renovated the dam to strengthen it. ...(*Interruptions*) The Supreme Court has also accepted it. ...(*Interruptions*)
